“Al and Mantas arrived on time to provide an estimate for tiling our walk-in shower and bathroom floor. Their knowledge and timely availability convinced us to hire them. The tiler, Dennis did fabulous work - he was very particular and consulted with us frequently to discuss options and to ensure that he knew what our preferences were. We would hire Al's Flooring again without hesitation.”

“I would highly recommend Al Flooring Service to anyone who is looking for any type of flooring installation or removal. I hired this company to initially remove some floor tile for me. They were very responsive and fairly priced. They did an excellent job. Fast, neat and clean. Their staff is very polite and courteous. I decided to then hire them to lay my tile throughout my house. Again, excellent job and workmanship. I now have hired them to install my shower and bath tiles on my bathrooms walls and floors. The company is very hard working and reliable. They do excellent work at a very reasonable price. I would recommend them to anyone.”

“AL’S FLOORING called quickly and offered to come that day. They showed up as promised and gave a very reasonable estimate. When they came (on time) to complete the work, they did an exceptionally good job and even did extra work without extra charge. Al even called back later in the day to leave special instructions. We are very pleased and plan to contact them again for future projects. We have already recommended the company to our neighbors for their projects.”
