Dear Applicant:

The Fulton County Office of Contract Compliance has reviewed your application for Minority/Female Business Enterprise ("M/FBE") re-certification. Based on our evaluation of the information submitted, your firm has met the requirements for recertification.

Your firm's recertification will last for a period of two (2) years beginning with the effective date of this letter. You may apply for recertification as an M/FBE three (3) months prior to the certification expiration date by logging on to our website at www.occfultoncountyga.com by using your Vendor Self Service (VSS) customer identification number VS0000046603. Failure to recertify your company within six (6) months after certification has expired will require your company to repeat the certification process in its entirety. If at any time during your certification period there is a change in location, management, ownership or control of your firm, you are required to update your firm's profile online. Failure to maintain accurate information on your firm may result in removal of your firm from the Minority/Female Business Enterprise (M/FBE) Directory.

If you have any questions or require further assistance, please feel free to contact our office at (404) 612-6300. We wish you continued success in your business endeavors.

Sincerely,

Contract Compliance Administrator
