

Construction Bonds Inc.

August 9, 2018

To Whom It May Concern:

Construction Bonds, Inc. currently handles the bonding needs of **Duvall Paint Contractors**. **Duvall Paint Contractors** is an active client of Construction Bonds, Inc. The contractor has always been efficient at providing any and all documentation required by surety. We look forward to continuing our relationship far into the future.

Duvall Paint Contractors has a current surety line of **\$1,250,000 single, \$2,500,000 aggregate** through **RLI Insurance Company** which is a Treasury-listed, "A" rated bond company.

Duvall Paint Contractors has successfully completed projects in this range and has always maintained healthy relationships within the industry. We appreciate the opportunity to work with **Duvall Paint Contractors** and will gladly entertain a request in the referenced range should they be awarded the contract.

While we know of no reason at this time that would prevent us from issuing required payment and performance bonds, you understand that any arrangement for the bid or final bond(s) is a matter between the contractor and the respective surety and is subject to their normal underwriting standards, practices and conditions. These include, but are not limited to, the following: (1) client meeting all underwriting criteria at the time the bond(s) are requested, (2) review of bid or contract documents, (3) evidence of adequate financing, (4) bid spread of 10% or less, and (5) requests for final bonds are made prior to the commencement of work.

Please feel free to contact us if you have any questions.

Sincerely,

Joshua A. Etemadi, AVP
