METAL BUILDING COMPONENTS

**Weather Tight Seminar**  
CERTIFICATE OF COURSE COMPLETION

Presented To:

**Joe Yoder**

This certificate is presented to the above individual for completing the Central States Manufacturing Standing Seam Installation Course. This course emphasizes the importance of proper installation techniques with verbal, hands-on instruction and written training of the following CSMI Panels:

**Central-Loc, Central Seam Plus, Central Span and Central Snap.**

This certificate is valid for a period of 2 years from the date of issuance and may be required for a manufacturer's weather-tightness warranty.
