RE: Imperial Welding & Repair, LLC.

Dear Sir or Madam,

We currently represent Imperial Welding & Repair, LLC. on all matters involving bonding. As of this date they have been in business for approximately 3 years, but have not needed bonding to this point. We are in the process of putting a bonding program together, at this time they are able to bond for \$100,000 single project and an aggregate of \$200,000. In addition, we are aware of the various strategic teaming partner arrangements and/or joint venture arrangements available through the federal regulations and would look favorably upon such an arrangement if needed.

Keep in mind that formal approval of any bond is conditioned upon factors specific to the project, contract, financial position of the company and other underwriting conditions, so this letter should not be construed as a formal commitment to provide bonds at this time.

We hold Imperial Welding & Repair, LLC. and Mr. Jesus Alfaro in the highest regard and urge you to extend every possible consideration to their use on your projects.

Sincerely,

*Tysen Manross*
