David Thompson, Program Manager

This permit has been issued by the enforcement agency in accordance with Title 14, California Code of Regulations, section 18104. This registration permit incorporates by reference, as terms and conditions of the permit, all minimum standards applicable to it, as set forth in Title 14, Division 7 of the California Code of Regulations. These minimum standards include, but are not limited to the following:

- Section 17862.1 Chipping and Grinding Operations and Facilities
- Section 17863.4 Odor Impact Minimization Plan
- Section 17867 General Operating Standards
- Section 17867.5 Training Requirements
- Section 17866.5 Green Material Processing Requirements
- Section 17869 General Record Keeping Requirements

The facility for which this permit has been issued may only be operated in accordance with the description provided in the attached application, which is hereby incorporated by reference.

This permit shall be reviewed at least once every five years from the date of issuance noted above pursuant to Title 14, California Code of Regulations, section 18104.7.

Good to 2021
