To Whom it May Concern:

Subject: Reference Letter for Link2, Inc.

I have been working with Mike Pearson, CEO of Link2, Inc. for several years. He and his team have installed phones and networks for me at numerous start-up companies. His knowledge of his systems is impressive and has the unique ability to help a novice understand what is needed to get the job done. He is patient and courteous and knows the real meaning of customer service. He and his team are always on time either for appointments and responds to email or phone calls very promptly.

I have no doubt if you hire Mike and his team for any job, you will be as impressed with him as I have been over the years and you won't want to work with anyone else.

Sincerely,
