TO WHOM IT MAY CONCERN

We are writing to highly recommend BlueSkies Construction & Design as a general contractor. We are non-profit religious organization. BlueSkies Construction & Design was instrumental throughout every phase and provided accurate pre-construction estimates and was flexible. We had hard time with our former contractor and when BlueSkies Construction & Design came in there was solutions; inspections and variety of permits were obtained to complete the construction project, this contractor was willing to work with us despite our extreme tight budget, and the project is on time and on budget. BlueSkies Construction & Design's staff is professional, organize and very pleasant to work with and has excellent relationship with us and our funding resources.

I am confident that BlueSkies Construction & Design will be an excellent choice and you will be very satisfied with their work. If you need additional information, please feel free to contact me at 401-632-2591. Thank you and God bless you.

Sincerely,

Franklin Olanoye
Church Pastor
