RE: Reference Letter for Gabriel Vargas

To Whom it May Concern:

I have had the pleasure of working with Gabriel on a difficult and time constrained project at Boston College. I was extremely impressed with his infectious enthusiasm for the work and ability to quickly get up to speed and manage a very complex project for a very demanding client.

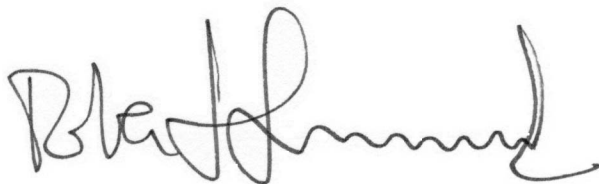

As the project developed his attention to detail and his eagerness to “get it right” became evident. He was always professional and showed a very deep knowledge of construction.

When problems arose during the construction, Gabriel took active part in finding a solution that met the needs of all parties, including meeting the budget and maintaining the schedule.

If you are looking for a contractor who will provide you with excellent service and a quality final product I strongly recommend Gabriel.

If you have questions or need additional information please don't hesitate to contact me.

Sincerely yours,
