

To whomever it may concern:

Gabriel Varga did several projects focusing mostly on historical residential restorations, exteriors and some interior, replicating all the original details specified by the Providence Revolving Fund. He was able to provide very competitive pricing, great scheduling, and professional business.

I highly recommend Gabriel for his outstanding qualities. He has great people skills, can manage a crew very well, he is a man of his word and gets the job done in a timely and efficient manner. Gabriel is a person that is responsible and can be trusted.

Feel free to contact me personally if you have any further questions.
