To Potential Ceiling Pro Customers:

We have had the pleasure to work with Ceiling Pro for the last 4 years and specifically Tom Steers the last 2. I am happy to give a strong recommendation to this company as they have provided cleaning services to Pepsi Burnsville in difficult area's we simply were not equipped to handle. I do not write recommendations freely as I am a demanding customer. I expect fair rates, quality work and most importantly superior customer service. Ceiling Pro has offered all 3 working in difficult area's such as ceilings, ventilation systems and under tight time constraints working evenings and weekends on very short notice.

They have become Pepsi's preferred vendor for our specialized cleaning needs whom I would personally recommend to any company looking to maintain a superior facility. I welcome you to contact me at john.greenwalt@pepsico.com if you have further questions on the services provided by Ceiling Pro.

Thank you,
