To Whom It May Concern:

I really want to thank Ed Krueger and his team for making our kitchen looks great again! I worked with Ceiling Pro at another facility so when I came here and we needed help, I knew who to call. Now our ovens are like new! Also all the other equipment they cleaned looks awesome! Fourteen diffusers were cleaned and painted, what I really like is we don't need to replace the diffusers after all. Thanks, Ed! I would refer everyone I know to call you when they need help in a commercial kitchen.

Thank you,

Mary Naus
