**Ceiling Pro International  
7456 Washington Ave. South  
Eden Prairie, MN 55344**

Attn. Kevin Johnson,

Back in June we had Ceiling Pro International, out to our company for some heavy duty cleaning, on our walls and ceiling. The beams, ceiling, and walls were black with dust and grease.

With the hard work of your employees that came in here, everything was bright and clean, didn't even look the same.

We appreciate the hard work and service your company has provided for Motek-Team Industries.

*Thank You*
