MCR Services, Inc. is a general contractor firm, with offices in PA and NJ, that:

- Specializes in commercial and industrial construction (ground up, fit-outs, renovations, etc.).
- Handles everything from demolition, to site work, to construction, to clean up services, and more.
- Has a trade area that is primarily focused in PA, NJ & DE.
- Is experienced with apartment complexes, commercial free-standing buildings, distribution centers, fitness centers, hotels, industrial facilities, medical facilities, mixed use buildings, office buildings, restaurants, retail stores, salons, self-storage facilities, shopping centers, supermarkets, worship centers and more.
- Is LEED certified, FEMA approved, an ABC Diamond Level STEP Award Recipient, a three time ABC Excellence in Construction Award winner, an authorized Kirby pre-engineered building installer, and a member of the NJAA.
- Provides professional design services and enjoys long term client relationships.
