**Re: Alluring Window LLC
Letter of Recommendation**

To whom it may concern:

We are writing to highly recommend Alluring Window as a window treatments contractor. We are currently collaborating with Alluring Window on new development project located at 1512 Boone Avenue Bronx, NY 10460.

This project includes 921 custom-made roller shades for two buildings, manufactured, delivered and installed by Alluring Window.

Alluring Window was instrumental throughout every phase. Alluring Window provided detailed estimate, very professional and flexible with measuring and installing the units in the building and delivery times.

I highly recommend Alluring Window as a contractor for any type of window treatments and confident that they will be excellent member of your construction project.
