**Re: Alluring Window LLC**  
**Letter of Recommendation**

To whom it may concern:

I am writing to recommend Alluring Window as a window treatment contractor. We have worked with Alluring Window since February 2014 for our building located at 15 Cliff Street New York, NY.

Alluring Window manufactured and delivered 762 custom made roller shades.

15 Cliff Street was a challenging project and Alluring Window was instrumental throughout every phase. They provided pre-order estimates and were very professional and flexible with measuring the units in the building, delivery times and with local hire requirements.

I highly recommend Alluring Window as a contractor for any type of window treatments. I am confident that they will be an excellent member of your construction project.

For any questions or additional information please feel free to contact me at 212-202-5785.

Sincerely,
