Silva's Painting & General Services  
3305 Bartlett Blvd.  
Orlando, FL 32811

To Whom It May Concern,

It is my pleasure to write this letter of recommendation on behalf of Silva's Painting & General Services.

My experience working with Silva's Painting & General Services has been excellent. They are true professionals who bring important painting knowledge and outstanding painting skills to their projects.

I worked with Silva's Painting & General Services on the interior painting of our Consulate Health Care building in Lakeland, FL. In addition to providing excellent services, they were able to accommodate our needs of painting the rotunda in the evening hours to avoid disturbing our residents and employees.

Anyone would be well served in choosing Silva's Painting & General Services as a painting contractor for their commercial, residential or construction projects.

Please feel free to contact me should you require any additional information.

Sincerely,
