Attention: Tadd Swartz

Subject: Subcontract Qualification Completion

Dear Mr. Swartz,

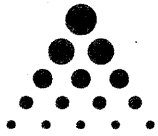

Congratulations! We are pleased to inform you that you have been approved as a qualified subcontractor for American States Utility Services, Inc. As the Prime Contractor, we are always in need of companies with which to partner and to provide the best possible service to the men and women of our country's military and their families. With Mach 1 Site Development LLC as a member of our team, we will obtain the best value in subcontracting for the Federal Government. We are especially interested in those companies which will help us to reach the goals of our Small Business Sub-Contracting Plan which is incorporated into our contract with the Government.

ASUS and its Subsidiaries update your qualification documents annually or as they expire. Please keep all registrations, licensing and insurance current and available when requested. We have also partnered with BidSync to provide web-based bidding services to their subcontractors and vendors. This partnership makes it easier to immediately receive and respond to business opportunities via the internet. Qualified subcontractors and vendors are invited to register for free on BidSync and review posted business opportunities from ASUS and its subsidiaries. Local Administrators for each subsidiary are listed below:

ASUS Corporate includes Subcontract Administrator Jennifer Beekman. She can be reached at 909 305-2400 x 124.
