To Whom It May Concern:

Shade 'N Net has been our vendor of choice for our shade canopies for many years. We've been very satisfied with the product they've provided and the service they offer. They manufacture quality structures and they stand behind their work.

They have installed structures at many of our locations such as at our Rainbow Water Reclamation Facility and many replacements of existing at canopies at various other Water and Reclamation facility's. On behalf of The City of Goodyear, we look forward to an on-going business relationship with Shade 'N Net.

Feel free to contact me with questions.

Sincerely,
