**Re: Minority Business Enterprise Certification**  
**Federal Tax ID # 46-3609234**

**Dear Mr. Olowuro:**

You are hereby officially notified that **DDK Security Guard Service** has been certified as a **Minority Business Enterprise (MBE)** by the New York City School Construction Authority (SCA). Your certification will remain in effect until **May 27, 2019**, providing there are no changes in ownership or control of your organization. Accordingly, any changes that affect ownership, managerial and/or operational control must be reported to SCA's Business Development Division within thirty (30) days of any such change. Any change in address should be reported immediately. Moreover, you must apply for recertification at least sixty (60) days prior to the above expiration date.

From time to time, the SCA may examine facts concerning your continuing eligibility. In that regard, as a condition of your certification, you have consented to examination of your books and records and interviews with your principals and employees for the purpose of such examination and to the revocation of your certification if such examination or interviews are denied.

Please note all firms must be prequalified prior to doing business with the SCA. If you have any questions regarding your recertification as a MINORITY BUSINESS ENTERPRISE, please contact the Business Development Division at (718) 752.5049. We will be happy to assist you in any way possible.

We encourage your participation and look forward to doing business with you.

Sincerely,

[www.nycsca.org](http://www.nycsca.org)Re: Prequalification Approval  
**Federal Tax ID# 45-3609234**

Dear Mr. Olowuro:

Based upon the information furnished on your Prequalification Application, the New York City School Construction Authority (SCA) has prequalified your firm to submit bids/proposals for SCA projects for a period of three years until **May 27, 2019** for the following: **Security Services-Watchguard/Patrol** (86080). Prequalification does not mean that your firm will automatically receive a contract for work with the SCA. Your prequalification status allows you to compete for business on SCA projects as a prime and/or sub-consultant within your approved trade code(s).

Although your firm is qualified to submit proposals for the aforementioned discipline(s), it also must meet the specific technical requirements, if applicable, for each SCA project. You are to refer to the SCA project specifications for additional required experience and certifications. In that regard, we encourage you to visit the SCA's website on a regular basis. Using the following link to our "Competing for Business" page, you can stay informed about upcoming projects and learn of opportunities for your firm to receive SCA Requests for Proposals:  
<http://www.nycsca.org/Business/CompetingforBusiness/Pages/default.aspx>

In addition, we note that your firm will be subject to a full responsibility determination at the time of consideration for any specific contract award.

Furthermore, we remind you that your firm's status as a "Prequalified firm" is always subject to review. You must submit in writing to the NYCSCA any substantive changes to your prequalification application as soon as possible, but no later than (30) days of said change(s). Substantive changes include, but not limited to, key people, ownership, court proceedings, investigations, bankruptcies, etc.

If you have questions regarding your status, please call the Contractor Qualification Unit at (718) 472-8777.

Very truly yours,
