To whom it may concern,

It is my pleasure to highly recommend NIDY SPORTS CONSTRUCTION as a contractor of choice for the City of Winter Park, FL. Zach Stevenson and his team were instrumental in the success of our newly completed track & field project. The NIDY team was very responsive to our requests and professional in every aspect of their business. Zach provided excellent insight into the construction process and demonstrated leadership throughout the entire build. Their recommendations and vision was very well planned and executed. They were very flexible.

We would be proud to recommend NIDY to other owners that are considering construction services

Sincerely,

Ronald Moore
