Dear Ms. Coz'nitikam:

I have been asked to write a letter of recommendation for Ms. Nancy Espie-Underwood.

Ms. Underwood and I worked together recently on an asbestos-abatement/building-demolishment project on which I was the Resident Engineer for the State (Caltrans) and she was responsible for the testing and assessment of asbestos containing material.

She proved to be knowledgeable, conscientious, efficient and thorough. Therefore, I can give this recommendation with no reservations whatsoever.

Sincerely,

Richard N. Decker
