Dear Mr. Bingaman:

With another successful project behind us, both Adam O. Lovern and I wanted to take the time to let you know what a pleasure it has been working with you and your entire team at North State Electrical Contractors. We are pleased to have found an electrical contracting company that I can recommend to our business associates and clients with confidence and without reservations.

UC Davis' West Village was certainly a highly successful project on many levels, and we thank you for your hard work, especially with respect to taking care of our client's needs and individual concerns. The work your company produced was indisputably of very high quality.

As always, I look forward to working with you again.

Sincerely,

Ida Carroll
