To Whom it may Concern,

We have been using Vince Orlando Cleaning Services since the day we opened, Dec 2, 2013. They have constantly provided superb service. They are Constantly monitoring the cleanliness of our gym; providing recommendations for needed additional services that they or our floor tech can do. Their personal is always punctual and do their job in a professional manner.

We are constantly receiving compliments about the cleanliness of our facility. All these reasons are why we have no problem writing this recommendation. We highly recommend this company for the service that they provide.
