Letter of Recommendation

Reference: GA Fireproofing – MS Contractor License

To Who It May Concern:

I am writing this letter of recommendation on behalf of GA Fireproofing. Carboline Company has supplied fireproofing products on many projects for GA Fireproofing over the last several years. GA Fireproofing has always performed great work in a timely fashion and they are in great credit standing with Carboline. Carboline considers GA Fireproofing to be a great company who operates with high integrity and we would highly recommend GA Fireproofing for a contractor's license in the State of Mississippi.

If you have any questions, please feel free and call me.

Thank you,

*Andrew Martin*
