To Whom It May Concern:

I am writing to thank you for the exception work JDS Contracting, Inc. did on the installation of the new roof of the entire facility at St. Rose High School. Dominic and Dave kept us well informed from the early stages of negotiations through completion and warranty of the project. They worked with us on a very tight time line for completion of the entire project in less than 2 months. Dominic, Dave and the entire JDS team was available and on-site to ensure successful completion of this project. The project was completed on time, on budget and clean-up of the site was to its original condition.

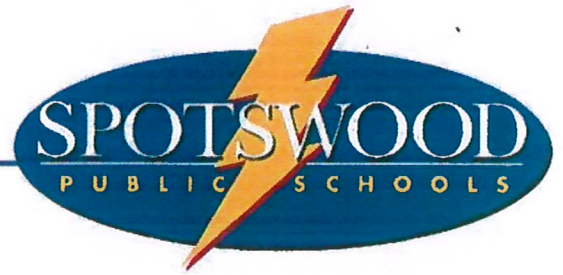

The workmanship and knowledge of JDS Contracting, Inc. was readily apparent from the kick off meeting. They performed the agreed upon work to the highest standard without issue and went beyond when unforeseen challenges arose. When needed, the foreman, Pat, in consultation with Dominic and Dave, made specific recommendations for challenges found as the work progressed. We, at St. Rose High School, were very impressed by your crew's courtesy and professionalism as well as the long hours and weekends they worked to ensure completion prior to the start of school for our students.

Working with JDS Contracting, Inc. was a positive experience. I would highly recommend JDS Contracting, Inc. for any roofing project. Their experience with flat and shingled roofing was beyond compare.
