As you are aware, a company desiring to participate in the State of Ohio's Encouraging Diversity, Growth and Equity program must demonstrate to this Office that the company is owned and controlled by an individual that is socially and economically disadvantaged for at least the previous one year.

After careful review of the application and supporting documentation you provided to this office, the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) has determined that IV Electric satisfactorily meets the requirements set forth in Section 123:2-16-01 of the Ohio Administrative Code as is required for participation in the program. This letter shall serve as the State's official certification to this effect.

This letter also acknowledges that IV Electric is approved for EDGE program participation under the Construction procurement category, and has demonstrated capability and/or experience for a period of one year from the date of this letter in the following UNSPSC and CSI codes:

Please note that one month prior to the expiration date of this certification, your company is required to submit a completed Recertification Affidavit form for our review relative to the company's qualifications for continuing participation in the EDGE program. Additionally, you must formally notify this division of any changes that occur within your company that effect ownership, managerial and/or operational control within thirty days of such changes occurring. Similar notification must be provided to us of any changes to the company's name, business address, telephone numbers, principal products/service or other basic contact and commercial activity information.

Failure to provide a completed Recertification Affidavit or to notify this office of such changes to your company in a timely manner may result in the revocation of your certification status.
