Dear Mr. Moran:

We wanted to let you know how happy we are with the way the deck turned out. We know you went above and beyond what was quoted in the contract to get us a very beautiful finish to the deck floor. We are grateful that you were not satisfied with just stripping the old stain off, but took the extra care to sand down the top to really get an even color.

Your work is very professional. We will be calling you again in the spring to do additional work on the rails.

Thanks so much.

Sincerely,

Craig and Judith Heyse
