

To whom it may concern:

American Spectrum Realty Management has used Houston Roofing & Construction for several years. They have performed build-out, maintenance, repair, and roofing work for our various properties throughout Houston. Their professionalism and quality work have made it easy for us to continue to go to them for a variety of solutions. I recommend Houston Roofing & Construction to any commercial property owner who is need of roof repair, maintenance, and replacement.

Regards,

Dawn Sartell
