RE: Geofill Construction
9900 Doerr Ln.
Schertz, TX 78154

To Whom It May Concern:

We have had the pleasure and privilege of working with Geofill Construction for the past 15 years, engaging their professional services as our "General Contractor" for a multitude of projects ranging from five hundred to twenty-five million throughout the States of Texas, Louisiana, Mississippi, and Florida.

Foresight manages numerous multi-family apartment communities throughout the numerous states indicated, have required their expertise for all aspects of construction from catastrophic damage restoration to complex total restoration and rehabilitation. We have total and complete confidence in their abilities and trust their judgement when dealing with any and all of our construction restoration demands.

Geofill's knowledge and expertise ensure their construction projects run smoothly from start to finish. The planning, hiring of subcontractors, quality of work and solution driven focus uniquely places Geofill Construction in the industry. In addition, the importance placed on safety and clean worksites show the level of professionalism they take great pride in.

I recommend Geofill Construction highly and without reservation.

Sincerely,
