To Whom It May Concern

Re:

Dears Sirs:

It has been the privilege of Travelers Casualty and Surety Company of America (“Travelers”)¹ to provide surety bonds for **CPM Builders NA LLC**. since 2009. During that time they have built and we have bonded projects in the **\$10 million single and \$20 million aggregate** range for a wide variety of owners.

We are pleased with their past performance and look favorably considering any bonding proposition they would like to entertain.

Please note that the decision to issue performance and payment bonds is a matter between **CPM Builders NA LLC**. and Travelers, and will be subject to our standard underwriting at the time of the final bond request, which will include but not be limited to the acceptability of the contract documents, bond forms and financing. We assume no liability to third parties or to you if for any reason we do not execute said bonds.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Javier Santiago Rivera
