Re: AAFAC Plumbing

Dear Mr.

I am a property manager at Mission Hills, a condominium community in Northbrook. The condominium buildings are aging and we have frequent need of various plumbing services. AAFAC Plumbing has capably addressed both preventative maintenance, such as rodding lines as well as emergencies, such as leaks for the condominiums I manage here.

Bill Kostock is a pleasure to work with. He is an excellent communicator, very responsive and works well in an occupied building. AAFAC had to do a rodding project that required access to all the unit kitchens on one floor. The AAFAC plumbers were courteous with the residents and cleaned up after themselves. The quality of the plumbing work AAFAC has performed here has been excellent. I am happy to recommend AAFAC Plumbing.

Should you have any questions, please feel free to call me at (847) 564-3970.

With Regard,

Nancy Hankins
