RE: Tapani, Inc.  
Letter of Recommendation

To Whom It May Concern:

It has been our pleasure to work with Tapani, Inc., on two recent projects for the Benton Irrigation District, in Benton City, Washington. Tapani's staff was very professional and courteous to work with. They completed utility installations for water lines in an area around existing homes in a very efficient and thorough manner, paying close attention to the quality of work required. Tapani was also very courteous to property owners when dealing with the owner's concerns and needs.

After working with Tapani on these recent projects, we would highly recommend the company. We look forward to the opportunity to work with Tapani, Inc., in the future.

If you have any questions, please do not hesitate to call us at 541-963-8309.

Sincerely,

ANDERSON PERRY & ASSOCIATES, INC.
