Tapani, Inc.  
P.O. Box 1900  
Battle Ground, WA 98604

Dear Mr. Tapani,

On behalf of the Alderwood Water & Wastewater District, I wish to thank you and your staff for your partnership and professionalism in making our water main project (W1102C D-1) along 196<sup>th</sup> SE, Grannis Road, Harvest Road, and Filbert Drive a successful one.

We appreciate your staff's ability to address any complaints received by the residents and travelling public. Your staff's coordinated efforts with our staff and other agencies such as Snohomish County and WSDOT were important factors in making this a success.

Especially appreciated was your staff's ability to address any challenges that were faced at these locations including heavy traffic, a deep water main, and the night work required in WSDOT right of way.

Justin Massie, Jamey Radford, and Jarren Thoma's talent in coordinating the resources necessary for this project along with Blake Stocking, Casey Lipe, Kyle Pete, and Joan Bizjack's ability to oversee the crew members under their supervision was instrumental in the successful completion. Tapani's office and administrative staff were also key in the success. There are likely many Tapani staff to thank, so please extend our gratitude to others.

In appreciation,
