SUBJECT: Letter of Appreciation

Kevin Tapani:

I am taking this opportunity to write to you regarding the performance of several of your people who I feel very fortunate to have had on this project.

Chad Mahoney, Jonah Sproul and Debbie Nelson all performed their respective duties to a very high and commendable level. These three individuals exhibited dedication, competence, responsiveness and a high degree of professional behavior.

On behalf of myself, Clark County Public Works and the Citizens of Clark County, I want to extend my sincere thank you to the Tapani organization for a job well done.

I look forward to the opportunity to work with Tapani and especially any of the named individuals on future projects.

Please pass this appreciation on to them and your organization and take satisfaction in Chad's, Jonah's and Debbie's professional excellence as well the Tapani organization's accomplishment.

Sincerely,

  
Bart Arthur, P.E.  
Project Engineer
