RE: Tapani Inc.

To whom it may concern:

This letter is written to express Borton, LC's complete satisfaction with Tapani Inc. as a subcontractor to Borton. Since December, 2012 Tapani has been working for our team on the TEMCO Kalama Modernization Project located in Kalama, WA. Tapani has been the civil contractor for the project.

Tapani has maintained safety, schedule and been flexible regarding working conditions and always responded in a timely manner to any requests. Their staff has been extremely professional and excellent to work with ensuring a successful project for all parties involved.

Borton, LC values the relationship that has been built and would highly recommend Tapani as a contractor on any other project. We hope to have future opportunities to work together. Please feel free to use Borton, LC and myself as a reference on any future projects.

Sincerely,

Shawn Willm
PM Manager
