Subject: Disadvantaged Business Enterprise (DBE) & Airport Concession Disadvantaged Business Enterprise (ACDBE) Certification Approval

Dear Mr. Blue:

We are pleased to advise you that after careful review of your application and supporting documentation, the San Diego County Regional Airport Authority (SDCRAA) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26 and as an Airport Concession Disadvantaged Business Enterprise (ACDBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 23. This certification is also recognized by all USDOT agencies of California.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs and ACDBEs under the following specific area(s) of expertise that you have identified on the NAICS Codes form of the Application Package:

NAICS Codes	Description
561612	Security Guard and Patrol Services
561621	Security Systems Services (except Locksmith)
611519	Other Technical and Trade Schools

Your DBE and ACDBE certification applies only for the above code(s). You may review your firm's information in the California Unified Certification Program's (CUCP) DBE/ACDBE database which can be accessed at the CUCP website at www.californiaucp.com. Any additions and revisions must be submitted to the SDCRAA for review and approval.

In order to assure continuing DBE/ACDBE status, you must submit an Annual Update Declaration form (which will be sent to you), along with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE/ACDBE standing, the DBE/ACDBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the Annual Update Declaration, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

SDCRAA reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE/ACDBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by SDCRAA.

For information on SDCRAA contracting opportunities, please visit our website san.org/business-opportunities. Congratulations, and thank you for your interest in the DBE & ACDBE Program. I wish you every business success and look forward to hearing from you if I may be of any assistance to you in this regard.

Sincerely,

Regina Brown

Dear Mr. Blue:

On behalf of the U.S. Department of Veterans Affairs (VA), Center for Verification and Evaluation (CVE), I am writing to inform you that BSE Security Service Inc has been verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) and added to the Vendor Information Pages (VIP) at <http://www.vip.vetbiz.gov>. BSE Security Service Inc will be eligible to participate in Veterans First Contracting Program opportunities with VA.

This verification is valid for three (3) years from the date of this letter. Please retain a copy of this letter to confirm BSE Security Service Inc's continued program eligibility in accordance with 38 Code of Federal Regulations (CFR) § 74.12. You may reapply 120 days prior to your expiration date by logging in to your VIP profile.

To promote BSE Security Service Inc's verified status, you may use the following link to download the logo for use on marketing materials and business cards:
http://www.vetbiz.gov/cve_completed_s.jpg. In addition, please access the following link for information on the next steps and opportunities for verified businesses:
<http://www.va.gov/osdbu/verification/whatsNext.asp>.

To ensure that BSE Security Service Inc is correctly listed in the Vendor Information Pages, check BSE Security Service Inc's profile for the verified logo. Please notify us if the logo is not present within 72 hours of receipt of this letter.

While CVE has confirmed that BSE Security Service Inc is presently, as of the issuance of this notice, in compliance with the regulation, BSE Security Service Inc must inform CVE of any changes or other circumstances that would adversely affect its eligibility. Eligibility changes not reported to CVE within 60 days could result in a referral to the Office of Inspector General (OIG), a referral to the Debarment and Suspension Committee, and the initiation of cancellation proceedings—all of which could result in BSE Security Service Inc being removed from the VIP Verification Program.

Please be advised all verified businesses may be required to participate in one or more post-verification audits at CVE's discretion. Additionally, this letter and other information pertaining to BSE Security Service Inc's verification application may be subject to Freedom of Information Act (FOIA) requests. However, FOIA disclosures include exceptions regarding the personal privacy of individuals, and VA policy similarly provides limitations on the release of individual records.

If BSE Security Service Inc receives a negative size determination from the U.S. Small Business Administration (SBA), CVE must act in accordance with 38 CFR § 74.2(e). Also note, if at any time BSE Security Service Inc discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If the NAICS Code(s) are not removed within the allotted five (5) business days, CVE may request SBA conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee, and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in BSE Security Service Inc being removed from the VIP Verification Program.

Thank you for your service to our country and for continuing to serve America through small business ownership.

Sincerely,

Thomas J. McGrath
