Re: Supplier Diversity Certification Program

Dear Maryanne Ottaviano:

Enclosed please find your Supplier Diversity Certification with the City of Hartford.

This Certification is effective from 10/18/18 until 10/18/20.

Thirty days prior to expiration, we will contact you regarding re-certification, and will request that you update the information/documents you have previously submitted, as well as, copies of the company's federal income tax return for the last two years, including copies of all applicable state licenses.

Please provide this office with written notification of any changes in the business ownership, structure, officers, directors, control, or location. We will use the information to update the City Supplier Diversity Services Registry that is provided to the public.

Please be advised that the City of Hartford reserves the right to revoke this certification due to any subsequent discovered discrepancies and/or fraud.

If you have any questions regarding this certification, please feel free to contact our office at (860) 757-9785.

Sincerely,

Concha Lawrence
Supplier Diversity Coordinator
