

KLM CONSULTING

About Our Company

KLM Consulting, an affiliate of AIM, is led by seasoned insurance advisor, Kristi Marinelli, who has been in the insurance industry since 1984. KLM has been focusing on middle market sized businesses and private client personal insurance programs since 1992. Our risk and claims services are aimed at controlling premiums, returning employees to work with back-to-work programs, and monitoring your workers' compensation plan.

About Our Services

Risk Management

A Quality Risk Management Program reduces expenses and increases profitability by providing solutions that prevent accidents, injuries, and lawsuits before they occur.

Our continuous process of identification, assessment, and prioritization of risks is followed by coordinated and economical application of resources to minimize, monitor, and control the probability and/or impact of unfortunate events.

Among our Risk Services

- Third Party documentation tracking & compliancy services (i.e. Certificates of Insurance)
- Workers' Compensation Insurance Cost Reduction Services
- Environmental, Health Safety (EHS) and Insurance Loss Prevention Services
- Insurance Audit Dispute Services

Commercial Insurance Program Design

Insurance is a key element in any Risk Management Program. At KLM, we take the time to understand your business, analyze your existing insurance portfolio, and recommend the best course for your insurance and risk management program.
