To whom it may concern

Dear Sir / Madam,

.Subject: Recommendation for "D.I.F Israel Civil Engineering LTD" services

We are hereby recommending for "D.I.F Israel Civil Engineering LTD" that has been given us services several years ago till now in Civil Engineering Infrastructure National projects at North of Israel. Their services include Engineering-Cost-Control for Huge Infrastructure projects, Contractors'-Accounts' estimation Cost-Control and Quantity Surveyor services. Recently they prepared for us a Quantity Surveyor's report of 1.5 Billion NIS for a project at Akko-East at North of Israel, their report is in highest professional level and in a very tight schedule of .time

During the whole period "D.I.F Israel Civil Engineering LTD" has been serving us in many projects in control of infrastructure projects at North of Israel that saved us millions of NIS. The projects include Engineering control & cost control of projects' estimation such as Bill of Quantities, costs estimation, Schedule of time, Technical specification, etc. Thanks to "D.I.F Israel Civil Engineering .LTD" services we prevented a few double payments as well

The services provided by "D.I.F Israel Civil Engineering LTD" inclusive estimation of Tender documents, Quantities, Tenders' drawings and tenders As-Built drawings. Their reports are in highest level and they are well known in their fine relationship and loyalty. Thanks to "D.I.F Israel Civil Engineering LTD" professional services we improved our projects all over Israel-North. The .company employs multidisciplinary professional Engineers with long experience

Furthermore, we would like to recommend with pleasure for other companies to use "D.I.F Israel .Civil Engineering LTD" services due to their professional and responsible reports

,Sincerely yours
