To Whom It May Concern:

It is with tremendous pleasure that we submit a character reference for Mr. Paul Mattie.

We met Paul a little over four years ago and he has at all times demonstrated honesty, dependability, and a strong work ethic. At the outset of our business relationship, he completed electrical projects, repairs, and a cooling system installation for our church building. We were so impressed with the quality, timeliness, and fair pricing of his work that we hired him to perform work for our personal residence.

Paul holds himself to high standards and we are confident that he will be successful in any endeavor that pursues. He will be an asset to any organization. If we can supply any supporting information, please feel free to contact us at 856-566-1401.

Sincerely,

Revs. George and Deborah Carmichael
