## K9 Unit

K-9 Sergeant Michael S Franks Jr #4124

K9 "Tazor" K6

*K9 Unit Supervisor*

Sgt Michael Franks

*Chief of Police*

Samuel DiSimone

I would like to take this opportunity to thank you and your business for your support with our Police Department but more specifically, the K9 Unit.

The generous donation you made to our K-9 Unit supplemented the costs of adding a 4<sup>th</sup> K-9 team. The contributions collected from you as well as the K-9 Benefit will be used to pay for medical bills, training and the necessary equipment used on an every day basis.

PtIm Jim Creedon has been chosen as the handler for our new K-9 "Steel" and they are currently attending the Atlantic County "John Sonny Burke" K-9 Academy. They will receive 22 weeks of training and be certified in Patrol and Narcotics activities such as obedience, building searches, criminal apprehension, article searches, tracking, field searches, handler protection and narcotics detection.

Enclosed you will find a flyer for our K-9 Benefit that will take place on September 29, 2017. Please distribute and share this event. Without your generosity and support, the expansion of the K-9 Unit would not be possible.

Again, thank you for your generous contributions. We look forward to assisting you and serving you in the future.

Sincerely,

West Deptford Police K-9 Unit
