Dear AREN TROOST:

Congratulations on being certified in the fire protection title indicated above. Let me commend you on your professional attitude and desire to provide a valuable service to your employer, industry and the citizens of New Jersey.

Fire protection certifications are valid for a period of three years. Recertification is achieved by accumulating a prescribed number of continuing professional development points and/or experience and educational credits. Once the certificate holder has met those requirements a renewal application may be submitted to the Contractor Certification Unit.

Again, I would like to extend my congratulations to you on your accomplishments and trust you will continue to strive for excellence by your experience and professional development. Please do not hesitate to contact the Division of Fire Safety, Contractor Certification Unit at (609) 984-7860 if we may further assist you.

Sincerely,

Lieutenant Governor Sheila Y. Oliver  
Commissioner
