Mission Statement

Our mission is not only to be your vendor of choice but to also be your partner and help your business succeed. We staff full-time systems engineers and technical associates to help with any technical or software issues. We have the ability to provide you with the exact solution to fulfill your security and life safety needs. Every project is unique so there is no "out of the box" solution.

Company History

Alarmlink was founded in 2001 and has continued to add services to meet our customers needs. Our company is Headquartered in Cleveland, Ohio with locations in Livonia, Michigan and Indianapolis, Indiana. Today our company is a "one stop shop" for Fire, Access Control, Security, Video Surveillance, Nurse Call, Structured Cabling, Intercoms, Fire, and other ancillary services.
