

Design and Construction Management Harborview Medical Center

January 7, 2022

To Whom It May Concern:

This email is my personal recommendation for Martin Plancich & Resolute Construction. Over the past 4 years, Resolute has completed over 100 projects of varying cost & size. A large majority of the projects were in occupied, patient care areas of the hospital. The requirement to work in these types of areas is very stringent & Resolute always exceeded our expectations with regards to patient safety, quality of work & staying on schedule. His bids/quotes for projects were thorough & more than fair. It is very hard to find a contractor that is as reliable & trustworthy as Resolute. Always willing to go the extra mile when asked.

Thank you,

Dick Dunham
