### Premium Adjustment

Each year, we review our medical payments and personal injury protection coverages claim experience to determine the vehicle safety discount that is applied to each make and model. In addition, we review the comprehensive, collision, bodily injury and property damage claim experience

annually to determine which makes and models have earned decreases or increases from State Farm's standard rates. If any changes result from our reviews, adjustments are reflected in the rates shown on this renewal notice.

### COVERAGE AND LIMITS *See your policy for an explanation of these coverages.*

### Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.

*Disclaimer: This message is provided for informational purposes only and does not grant any insurance coverage. The terms and conditions of coverage are set forth in your State Farm Car Policy booklet, the most recently issued Declarations Page, and any applicable endorsements.*
