SUBJECT: Miguel Aguilar (Exceed GPR & Locating) Safety Letter

To Whom it May Concern:

I would like to recommend Miguel Aguilar DBA Exceed GPR & Locating with their safety record and work performance with our company Mears.

Miguel worked as a subcontractor, for three years, doing GPR, locating and concrete cutting. His work was impeccable and he had zero safety incidents during that time. He is extremely dependable and conscientious of his work ethics and safety requirements.

Miguel would be an asset to any company he works for.

I endorse Miguel's work and highly recommend him for your organization.

Sincerely,

*Joshua Mussatto*
