

## Assurance Named Elite Winner for Community Initiatives by National Best and Brightest Companies To Work For

Schaumburg, IL (March 24, 2021): Assurance, a Marsh & McLennan Agency, has been named Elite Winner for Community Initiatives, 2020 Best and Brightest Companies To Work For® in the Nation. Assurance was awarded the 2020 Best of the Best Overall in Chicago by the same organization.

"We're honored to receive this recognition as the Best and Brightest for Community Initiatives in the country among so many great organizations," said Tony Chimino, CEO, MMA Midwest. "We learned from the employee survey required for this contest that 99.5% of our colleagues agree we 'encourage employees to participate in charitable events.' We're immensely proud of that number, but we'll continue to work to ensure it one day reaches 100%."

Assurance has a rich history of community involvement, donating more than \$2 million to local organizations since 2005. In 2020, Assurance executives personally matched donations to social justice-focused organizations, effectively doubling the funds available through the company's match program. Beyond financial support, Assurance extends its commitment to community by encouraging employees to devote at least one day a year to personally volunteering their time at local organizations and backs it up with a paid day off to do so. Since 2005, that's resulted in more than 25,000 labor hours donated to our communities.

The Best and Brightest Companies to Work For® competition identifies and honors organizations that display a commitment to excellence in operations and employee enrichment that leads to increased productivity and financial performance. This competition scores potential winners based on regional data of company performance and a set standard across the nation.
