To whom it may concern:

We are very pleased to recommend Techno IP's Solutions as a trusted provider of IP Video Surveillance solutions and General IT Services.

Their work has been outstanding, very professional, clean, always helping us with our most urgent needs, so we keep them in our records as one of our trusted IT Providers for our Building. They've upgraded our old Camera System with the latest generation of IP Surveillance cameras and recorder with a whole system that grew from 12 cameras to **over 70 cameras** for our building's critical areas and all our building's 21 floors. Techno IP's staff always solves our requests in record time and they will keep providing maintenance to our Technological facilities for the future.

Techno IP's staff is very professional and responsive to any requests we have had.
