

Certified Elite Installer™ Certificate

This Certificate is Presented to

Hard Hat Industries Inc.

The above company is recognized by ICC as an exclusive installation partner known as a Certified Elite Installer (CEI). As a CEI, at least one ICC trained Master Technician is required to be on staff. CEI is eligible to offer a 15 Year Performance Limited Warranty on structured cabling installations supported by ICC. The entire system must use ICC products* to guarantee performance and qualify this warranty. CEI is also eligible to offer a Lifetime Performance Limited Warranty on structured cabling installations supported by ICC. The entire system must use ICC products* to guarantee performance; a Master Technician must supervise the installation and submit to ICC for site verification. CEI is committed to professional and high quality cabling installations. CEI also receive exclusive privileges; such as project discounts, priority shipping, and direct support from our sales, marketing and technical teams.
